

# Friends of the Queen Creek Library

## What are the Friends for?

The Friends of the Queen Creek Branch Library create interest in, and increase public awareness of, the library by encouraging individual and community participation in cultural, educational, social and fund-raising activities for the benefit of the library and the people they serve.

## What is our mission?

The Friends of the Library shall engage in recruitment of members for the support of the Queen Creek Library through public relations and shall organize community fund-raising events to enable the Friends of the Library to be generous in financial support of local library programs, events awards and endowments of tangible assets.
